

ASIC ONLINE – Company Registration Form

The purpose of this form is to register a new company and/or add additional authorised signatories to approve Aviation Security Identification Card (ASIC) applications or other identification card applications on behalf of your company.

A company who contracts to another Airport company must have their applications approved by a sponsoring company who verifies and oversees the operational need for your workers to have access to workplaces in an airside or landside security zones within Perth Airport. Sponsoring Companies must be approved as an ‘On Airport’ provider.

Company Details
